

The Smartest Way to Get on Your Way

Brightline West will be America's first true high-speed rail system linking two of America's most iconic destinations: Las Vegas and Southern California. The \$12 billion project will lay the foundation for a new high-speed rail industry and establish the blueprint for how to connect city pairs that are too short to fly and too far to drive.

<p>\$10+ BILLION economic impact across Nevada & California</p>	<p>218 MILES of 100% environmentally cleared alignment</p>	<p>Creating 10,000+ UNION CONSTRUCTION JOBS</p>	<p>400,000+ TONS OF CO₂ emissions removed each year</p>
